### Johanna Peterson

Scrapbooking is a life line for me. It's like LIFE + ART = SCRAPBOOKING. Scrapbooking mixes all of my favorite things - my friends, my daily life, funny things my kids do, memories, photos, art... My formal training is in fine arts and photography, with degrees in Art and Design and Photography from California Polytechnic State University, San Luis Obispo, CA. Currently I have my own photography business (aerial photography) and shoot on the side for several clients. I was a cast member for 2 years on Scrapbook Lifestyle (Better Homes & Gardens Scrapbooks Etc) and taught the photography segments, intended to improve your photography with easy to apply photo tips. Now you can see me in scrapping action with my friend Leah Fung and Donna Salazar on our video blog (posted on Leah's blog). I live in San Diego, CA with my 2 girls.

Design teams include: Around the Block Design team, Frances Meyer/ Chartpak Design Team and teach at Yellow Bird in El Cajon. I feel fortunate to be able to share my love of scrapbooking with other scrappers. I have been published in several publications including: Better Homes and Gardens, Scrapbooks Etc., Creating Keepsakes, Scrapbooking & Beyond, Memory Makers, Scrapbook Trends, Scrapbooking & Cards Today (Canada), Cantata Books, Pine Cone Press and a few more. :) I think the single best thing about scrapbooking is the friends I have made. ### Donna Salazar

I am happily married to my high school sweetheart, we have been together for over 20 years and we have two teenage kids. I was a Designer for the scrapbook reality webisodes, Scrapbook Lifestyle, hosted on Scrapbook Etc's website for seasons 1, 2, 3 & 5, I was the founder and coordinator for The Red Bee Design Team (LSS in Tustin, CA), I was on the Avery Personal Creations Design Team and I was the coordinator for Prima's endorsed Teacher program before leaving Prima to design my own product line.

I have hosted a free weekly video blog with my two girlfriends, Leah Fung and Johanna Peterson (who I met when filming Scrapbook Lifestyle) since January of 2008 and currently, Leah and I host Prima's video class program The Prima Studio.

I have my own product line that will be launched at Summer CHA 2009. Quite a bit of my product was designed to work well with Zutter Innovative Tools.
